

MICRO 704 RESEARCH IN MICROBIOLOGY

Course Description: Research under direction of the student's Advisor.

Credit Hours: Hours and Credits to be arranged.

Course Prerequisites: MICRO 701, Microbiology graduate students only.

Course Dates: Spring, Summer, Winter, Fall

Course Times: > 40 hours per week are expected.

Course Location: The Advisor's laboratory.

Instructor: Student's Advisor or person designated by department chairman.

Required Text and Other Learning Resources: Publications pertaining to the area of research.

Course Overview: The student will actively take part in a research project and work towards "first author" publications.

Course Objectives: To provide the student an opportunity to learn the mechanics of research and to obtain data.

Grading Policy and Rubric: Not a graded course, the grade Z will be given.

Course Policies: Students are expected to participate in all the duties of the laboratory.

University Policies:

Students with disabilities (ADA) statement: See UMC policy

Academic honesty statement: See UMC policy

Microbiology Graduate Student Research Evaluation

Year started program: _____

Student Name: _____

Academic semester of evaluation: _____

Advisor name: _____

Date of evaluation: _____

Overall evaluation:

A = 90-100; B = 80-89; C = 70-79; F is less than 70.

	Maximum Points	Points Earned
Quality of work	10	
Quantity of work	10	
Initiative	10	
Independent thought	10	
Dependability	10	
Written Report	50	
Net Points:	100	
	Letter Grade:	

Narrative evaluation:

Suggestions for improvement:
